

INSTALLATION INSTRUCTIONS FOR 1984-1988 TOYOTA 4RUNNER OVERLAND TAILGATE TABLE, KITS AP-311374, AP-311375, AP-311376 AP-311377, AP-311378, AP-311379

1. Remove the (11) screws holding the cloth cover to the tailgate. These screws will not be reused.
2. Place the All-Pro Tailgate Table onto the tailgate and align the mounting holes in the table with the holes in the tailgate.
3. Install the supplied (11) Torx drive screws to secure the tailgate table to the tailgate. Installing the screws may be easier if you initially start all the screws, then tighten them. Be careful not to over tighten the screw and strip the plastic nuts in the tailgate.
